WEBINAR SUMMARY

In a unique approach to presenting individual projects, HDPE experts will present 7 emblematic HDPE projects that cover the gamut of installation methods and applications. Each project example will use 7 minutes before one or two questions are asked of the presenter. Participants will learn how HDPE solved some very specific municipal water and wastewater challenges that may have bearing on your everyday job. CEU/PDH offered, just stay until the end and respond to the question. #fuseitorloseit

Moderator: Peter Dyke, Executive Director, Alliance for PE Pipe

7 Guest Speakers: Erik Elizondo Milford, Ryan Ruiz ISCO Industries, Matt Danysh AGRU, Dave Mosier Core & Main, Chris Weight SECOR
